# 2011 Repair Center Directory

Book by 31<sup>st</sup> January 2011

**DON'T MISS THIS ONCE A YEAR OPPORTUNITY TO INCREASE YOUR COMPANY'S EXPOSURE AND SALES**

- Covers over 1750 repair stations in 80+ countries
- NEW easy to use guide – in alphabetic order and geographic location
- Published in **TWO** formats
  - Stand alone **PRINTED** edition in Feb 2011
  - 12 month **INTERACTIVE ONLINE** – www.avmain-mag.com
- Distributed to
  - 31,000 PRINT readers in February 2011
  - 12 months of web & digital readers
  - ALL the major trade shows, globally.
- One of our most well read editions due to the longer shelf life
- FREE basic listing, see attached form

**There are THREE opportunities to win more business:**

- 1 ENHANCE YOUR FREE LISTING** in the PRINTED edition AND the Online directory by adding 75 words and a company logo from ONLY \$175 – FREE to advertisers in Feb edition.
- 2 For maximum impact – UPGRADE your listing to a GOLD or SILVER listing** and on the ONLINE DIRECTORY and your listing will be priority placed on the home page before any search
- 3 Place a display ADVERT in the Directory** – You advert will be referred to again and again through 2011. Advertisers in this issue ALSO get a free enhanced listing.

Lycoming® The Engines of Choice

Lycoming® produces the most complete line of horizontally opposed, air-cooled four-, six- and eight-cylinder certified aircraft engines available, with power ranging from 100 to 400 HP. For homebuilders, air race and aerobatic pilots, and others looking for non-certified engines with Lycoming dependability, Lycoming offers custom-built Thunderbolt Engines. Lycoming piston engines have a reputation for reaching or exceeding TBO. For more information, please visit Lycoming.com.
